

GENE FUSCO'S PENN CENTRAL and tour of Rail Yard Models

Fishermen ignore the rumble from an RS-11 and SD-9. *Bob Sobol*

Engine terminal. *Dave Zamzow*

Mine on a precarious perch. *Dave Zamzow*

Scrapped by the Grande, these EMD trade-ins were in much better shape than other PC Fs. *Bob Sobol*

Hot coil car in the wild. *Dave Zamzow*

Renegade "NYC" SW paint scheme. *Bob Sobol*

Rail Yard Models rail yard. *Bob Sobol*

Gene explains the process for casting urethane. *Bob Sobol*

An unreleased product, unique for a urethane kit because the tank cylinder is hollow yet cast in one piece. *Bob Sobol*
